## Heat fire detector

### FIREPROTECT2-H-SB-W

#### ESPECIFICACIONES TÉCNICAS

|                        |                                             |
|------------------------|---------------------------------------------|
| Compatibility          | <b>Hub Plus/Hub 2/Hub 2 Plus/Hub Hybrid</b> |
| LED indicators         | <b>Sí</b>                                   |
| LED colors             | <b>Verde / Rojo / Amarillo</b>              |
| Tamper                 | <b>Sí</b>                                   |
| Siren Volume           | <b>85dB to 3 meter</b>                      |
| Temperature activation | <b>64°C</b>                                 |
| <b>AMBIENT</b>         |                                             |
| Operating temperature  | <b>0 °C ~ 50 °C</b>                         |
| Degree of protection   | <b>IP20</b>                                 |
| Use                    | <b>Indoor</b>                               |
| Maximum humidity       | <b>80%</b>                                  |

#### VIA RADIO

|                       |                                         |
|-----------------------|-----------------------------------------|
| Frequency             | <b>868.0 MHz ~ 868.6 MHz</b>            |
| Transmission distance | <b>Up to 1700 m (without obstacles)</b> |
| Maximum power RF      | <b>Hasta 20 mW</b>                      |
| Protocol              | <b>Jeweller</b>                         |

#### DETECTION

|               |             |
|---------------|-------------|
| Detector type | <b>Heat</b> |
|---------------|-------------|

#### TECHNICAL CHARACTERISTICS

|                      |                  |
|----------------------|------------------|
| Tipo de notificación | <b>Acoustics</b> |
|----------------------|------------------|

#### MATERIAL AND DIMENSIONS

|                       |                          |
|-----------------------|--------------------------|
| Dimensions            | <b>86 x 86 x 43.5 mm</b> |
| Net weight            | <b>150 g</b>             |
| Weight with packaging | <b>200 g</b>             |
| Color                 | <b>White</b>             |

#### SPECS AND FEATURES

|            |                      |
|------------|----------------------|
| Technology | <b>Wireless</b>      |
| Type       | <b>Fire detector</b> |

#### POWER CONSUMPTION

|                  |                                           |
|------------------|-------------------------------------------|
| Battery model    | <b>2 baterías de litio irremplazables</b> |
| Battery duration | <b>Up to 10 years</b>                     |

#### SENSOR

|                |                                          |
|----------------|------------------------------------------|
| Type of sensor | <b>Temperature detection: thermistor</b> |
|----------------|------------------------------------------|

#### DETECCIÓN (INCENDIO)

|                    |                   |
|--------------------|-------------------|
| Termovelocimétrico | <b>10°C / min</b> |
|--------------------|-------------------|
